DECORATION AND WALL PAINTINGS

I have produced several commissioned jobs both regarding painting of objects, canvas as corporate gifts and bigger wall decorations. My latest wall is a wall spaces decoration in Ho Chi Minh City, Vietnam.

If you are inspired and like what you see, and wants to give an original, unique artwork, or perhaps have wallspaces, you would like to have decorated, then send me a text, a mail or call me for a dialogue.

Thank you for your time
